**INVITATION:** DIGITAL LITERACY WORKSHOP FOR STEM EDUCATORS IN ZIMBABWE, 5–8 MAY 2026 AT AMAI MUGABE GROUP OF SCHOOLS IN MAZOWE.

Dear Sir/Madam

On behalf of the Joint Planning Committee of the **Digital Literacy Workshop for STEM Educators in Zimbabwe**, I cordially submit this invitation to your school/college to register and participate in the workshop scheduled to take place from **5–8 May 2026 at Amai Mugabe Group of Schools**.

The workshop is being jointly organized in collaboration with the **Chinhoyi University of Technology – Academy of Teaching and Learning** and the **University of Zimbabwe – Faculty of Computer Engineering, Informatics and Communications**.

The primary objective of the workshop is to empower educators with the appropriate mix of digital skills and competencies required to design, deploy, and effectively manage technology-enhanced teaching and learning systems within Zimbabwe’s socio-economic context.

The programme seeks to:

- Enhance awareness and practical knowledge of emerging technologies in education
- Promote innovative teaching methodologies through digital tools
- Create platforms for collaboration, networking, and knowledge sharing among educators
- Strengthen the capacity of educators to effectively deliver online and blended learning

The workshop will focus on the following thematic areas:

- Foundations of Digital Literacy for Educators
- Digital Pedagogy for STEM Teaching
- Artificial Intelligence and Emerging Technologies in Education
- Data Literacy and Digital Research Tools
- Online Learning Platforms and Learning Management Systems
- Digital Citizenship, Ethics, and Cybersecurity in Education
- Innovative Teaching Approaches for Education 5.0
